

**BOLOGNA AIRPORT, PASSENGERS' GROWTH IS KEEPING ON:  
OCTOBER +7.3%  
*From the beginning of the year over 5.8 million passengers (+3.7%)***

Passengers have been increasing without break at Bologna Airport: in October, a **growth of 7.3% was registered versus the same month in 2014, for a total of 601,612 passengers in the month.**

This important result confirms **the positive trend that marked all Summer season** when new routes were started and existing routes were strengthened. As a matter of fact, in October Bologna Airport totaled over 600 thousand passengers per month: and **this is the sixth month in a row that this result is achieved** (with the peak of over 700 thousand in August).

Heavy increase in **international passengers (458,949, +8.9%), and domestic passengers are rising too (142,663, +2.0%).**

**Top destinations in October:** London, Paris and Frankfurt are the favorite ones, followed by Madrid, Barcelona, Istanbul, Palermo, Catania, Roma and Amsterdam.

**In the first ten months of the year, overall passengers have totaled 5,839,911, with an increase of 3.7% versus the same period in 2014.**

It is also to be pointed out that according to **a research published today by Corriere Economia** on Consumers' satisfaction for the service received, Bologna Airport results to be ranking first in Italy among small-mid-sized Italian airports. *"The airport has been leveraging on excellent management, being able to attract – the newspaper reports – a large part of air traffic from the catchment area, including crowded Romagna coast".*
